

Mary's Meals + Backpack Project = A Brighter Future

Mary's Meals is a simple idea that works - by providing a daily meal in a place of education, chronically poor children are attracted to the classroom where they can gain a basic education that provides an escape route from poverty. Mary's Meals began in 2002 in Malawi, feeding 200 children. Today, it is feeding over 500,000 children around the world, in countries including Malawi, Liberia and Haiti.

Our vision is that every child receives a daily meal in school.

Vital school supplies:

The Backpack Project is a simple way of helping children from poor families in countries like Malawi and Liberia get to school.

Very often the parents of the children we support cannot afford to buy even basic things like pens and notebooks or even suitable clothes for their children to wear to school. And so their children miss out on school and the education that can help them escape from poverty when they grow up.

You can help solve this problem by filling an old school bag or backpack with some everyday things. Mary's Meals will then send the backpacks to children who really need them.
